

### **KIT.KWVE45-B-910**

Accessory kit

Sealing and lubrication elements KIT for KUVE..

## Technical information

### Your current product variant

|             |     |                |
|-------------|-----|----------------|
| Size code   | 45  |                |
| Suffix code | B   |                |
| KIT-number  | 910 | KIT end number |

### Degree of contamination

|     |        |                                                      |
|-----|--------|------------------------------------------------------|
| Yes |        | KIT suitable for very slight degree of contamination |
| Yes |        | KIT suitable for slight degree of contamination      |
| Yes |        | KIT suitable for moderate degree of contamination    |
| Yes |        | KIT suitable for heavy degree of contamination       |
| ≈m  | 4,15 g | Weight                                               |

### Related products

|    |  |                        |
|----|--|------------------------|
| No |  | KIT can be retrofitted |
|----|--|------------------------|

### Increase of displacement

|     |  |                                                   |
|-----|--|---------------------------------------------------|
| Yes |  | KIT suitable for moderate degree of contamination |
|-----|--|---------------------------------------------------|
