

### KIT.KWVE55-B-OS-310 [↗](#)

Accessory kit

Sealing and lubrication elements KIT for KUVE..

## Technical information

### Your current product variant

|             |     |                |
|-------------|-----|----------------|
| Size code   | 55  |                |
| Suffix code | B   |                |
| KIT-number  | 310 | KIT end number |

### Main Dimensions & Performance Data

|     |         |                      |
|-----|---------|----------------------|
| K 1 | M4x10   | Screw                |
| L S | 2,2 mm  | Dimension screw      |
|     | S 3     | Hexagon socket screw |
| S   | 5 mm    | Dimension            |
| ≈m  | 47,85 g | Weight               |

### Degree of contamination

|     |  |
|-----|--|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| Yes | KIT suitable for heavy degree of contamination       |

### Related products

|     |                        |
|-----|------------------------|
| Yes | KIT can be retrofitted |
|-----|------------------------|

### Increase of displacement

|     |                                      |
|-----|--------------------------------------|
| Yes | Large increase in displacement force |
|-----|--------------------------------------|
