

OPTIME-GATEWAY-V2

Gateway

Gateway supporting Wirepas, with cellular capability, WIFI and LAN

Technical information

Your current product variant

Region	Global-selective	Global, selected countries
Communication sensor - gateway	2G/3G/4G	
Simcard inclusive	Y	Yes
Reselling	No	

Technical data

	Ethernet Wi-Fi (IEEE 802.11 b/g/n)	Communication to local access point
	IP66	Ingress Protection
≈m	0,9 kg	Weight

Power Supply

	wide range, 100-250V, 50/60 Hz	Power supply
	12VDC	Alternative power supply

Additional information

	yes	Outdoor use
	yes	Opt. external antenna (LTE)

Main Dimensions & Performance Data

L	207 mm	Length
B	180 mm	Width
h	77 mm	Height
