

## ARCA-PUMP-BARREL-50-SET-N [↗](#)

Drum pump

Pneumatic drum pump set

### Technical information

#### Technical data

50 kg hobbock	Usage
Pneumatic pump	Design
RP ¼"	Connector compressed air inlet
R ¼"	Connector grease outlet
40 mm	Suction pipe diameter
690 mm	Suction pipe length
425 bar	Operating pressure (at 6 bar pneumatic supply pressure)
3 bar	Pneumatic supply pressure, min.
8 bar	Pneumatic supply pressure, max.
1:55	Pressure ratio
1.150 cm <sup>3</sup> /min	Delivery rate
85 dB	Sound pressure level
≈m	Weight
20,9 kg	

#### Additional information

Pneumatic drum pump with suction pipe, grease gun, high-pressure-hose with connecting nipples, grease follower piston, dust cover	Included in delivery
