

**WS81106** [↗](#)

Shaft locating washer

Axial cylindrical roller bearings 811, single direction, comprising K811, GS, WS

Technical information

**Main Dimensions & Performance Data**

| | | |
|----------------|--------|---------------------------|
| d | 30 mm | Bore diameter |
| d ₁ | 47 mm | Lip diameter shaft washer |
| B | 3 mm | Height shaft washer |
| ≈m | 22,5 g | Weight |

Mounting dimensions

| | | |
|------------------|--------|---------------------------|
| r _{min} | 0,6 mm | Minimum chamfer dimension |
|------------------|--------|---------------------------|
