

**WS81116** [↗](#)

Shaft locating washer

Axial cylindrical roller bearings 811, single direction, comprising K811, GS, WS

Technical information

**Main Dimensions & Performance Data**

| | | |
|----------------|---------|---------------------------|
| d | 80 mm | Bore diameter |
| d ₁ | 105 mm | Lip diameter shaft washer |
| B | 5,75 mm | Height shaft washer |
| ≈m | 153,6 g | Weight |

Mounting dimensions

| | | |
|------------------|------|---------------------------|
| r _{min} | 1 mm | Minimum chamfer dimension |
|------------------|------|---------------------------|
