

**WS81220**

Shaft locating washer

Axial cylindrical roller bearings 812, single direction, comprising K812, GS, WS

Technical information

**Main Dimensions & Performance Data**

| | | |
|----------------|---------|---------------------------|
| d | 100 mm | Bore diameter |
| d ₁ | 150 mm | Lip diameter shaft washer |
| B | 11,5 mm | Height shaft washer |
| ≈m | 0,87 kg | Weight |

Mounting dimensions

| | | |
|------------------|--------|---------------------------|
| r _{min} | 1,1 mm | Minimum chamfer dimension |
|------------------|--------|---------------------------|
