

**WS89306** [↗](#)

Shaft locating washer

Axial cylindrical roller bearings 893, single direction, comprising K893, GS, WS

Technical information

**Main Dimensions & Performance Data**

| | | |
|----------------|---------|---------------------------|
| d | 30 mm | Bore diameter |
| d ₁ | 60 mm | Lip diameter shaft washer |
| B | 6,25 mm | Height shaft washer |
| ≈m | 99,6 g | Weight |

Mounting dimensions

| | | |
|------------------|------|---------------------------|
| r _{min} | 1 mm | Minimum chamfer dimension |
|------------------|------|---------------------------|
